

GROUP 8

DEGREEAUDIT++

AN EASY WAY TO PLAN OUT YOUR REMAINING SEMESTER

Sara Caponi, Jamie Flores, Daniel Jaegers,
Derek Rogers, Erika Eckfeld, Kate Gardner, Sohaila Bakr

[HTTPS://TINYURL.COM/YC2JQ4SW](https://tinyurl.com/YC2JQ4SW)

FEATURES

- Students will be able to plan their degree path and make selections of classes in an intuitive way.
- The system will retrieve information about users from their Mizzou academic profile, like classes taken, grades received in classes, declared major, and overall GPA.
- DegreeAudit++ will compare classes a student has taken with required classes provided by their declared major, and present the user with potential classes that would both fit into their schedule and meaningfully contribute to completing their degree.

SYSTEM REQUIREMENTS

Currently enrolled Mizzou
Student working towards
completing degree in
Computer Science
